The slow recovery of the economy and uncertainty of future funding have hit many organizations hard, none more so than the organizations that you support through your donation to Our Brothers' Keepers Foundation.

Budget cuts and rising costs are having a negative impact on some organizations' ability to provide necessary services to improve the lives of those living with HIV/AIDS and their families and loved ones. Your generosity and support are more critical than ever as we try to meet the rising demand for funding.

Thanks to the generosity of our supporters, OBKF has funded a number of critical services during the last year including:

- ❖ Funding prevention and outreach to youth at risk of infection;
- ❖ Providing much needed psycho-social opportunities; and
- ❖ Supplying emergency and crisis funds for HIV positive individuals.

Please consider a donation to help OBKF continue to support critical services. As always, because OBKF is comprised entirely of volunteers and has a very low administrative overhead, the majority of your donation goes directly to fund needed services.

Thank you for your support,

Officers and Directors
